Why we do a Rehearsal?

We at Diamond Dance Studio believe dress rehearsals are a super important part of preparing for our recital. This is where we get to see the costumes working on stage in a group to really compliment the dances. It gives us a chance to make any adjustments and ensure that everyone has time to get ready between their dances. Additionally, we can see if any costumes are missing accessories, shoes, etc. Even more importantly, it gives the stars of our show a chance to get up and rehearse on the big stage – a very different environment than they are used to within the studio walls. They can overcome some of the jitters that may hit when the bright lights come on and really prepare themselves for the show ahead.

Rehearsal Procedure

- Check in at the front of the stage.
- Find a seat in the auditorium

Additional Information:

- One Parent/Guardian may stay and watch the dress rehearsal.
- Once your dancer/s have performed all of their routines, you may leave for the night.
